SREE SANKARACHARYA UNIVERSITY OF SANSKRIT

SCIENTIFIC WRITING WORKSHOP

The inauguration of the
workshop will be conducted by

Dr Dharmarajan P K
Hon'ble Vice Chancellor

9.30 am on 15th December 2018

The Department of Social Work, SSUS, Kalady is holding a one day workshop on scientific/academic writing for the students on 15th December 2018 from 10 am to 3.30 pm. The workshop aims to build the capacity of students and researchers in the department to write scientific papers in a manner that is understandable to non-specialist readers of the multidisciplinary journal.

Scientific writing is a technical form of writing that is designed to communicate scientific information to other people. Depending on the specific scientific genre - journal article, scientific poster, or a research proposal, for example—some aspects of the writing may change in tune with its purpose, audience, or organization. Many aspects of scientific writing, however, vary little across these writing genres.

The Resource Person will be Dr. Bindu K. C., Assistant Professor, School of Human Studies, Ambedkar University, New Delhi. The workshop will cover the art and science of scientific writing so that the students can write their dissertations and other articles independently.

Those interested
may kindly register with the
Department of Social work
on or before
14th December 2018.
